# ABOUT US

Temy Rowland Associates L.L.C is a leading international trade and investment consultancy firm, founded in 2020 and headquartered in the United States, with key subsidiaries in Nigeria. Our company specializes in the import and export of a wide array of high-quality commodities, including hibiscus flowers, garlic, sesame seeds, shea butter, African black soap, and onions. With over 25 years of experience in the industry, our leadership team brings deep expertise in international trade and business practices, ensuring that we deliver unparalleled service and top-tier products to our clients. We pride ourselves on connecting African markets with the global stage, offering products that meet stringent international standards. Our operations are built on a foundation of trust, reliability, and sustainability, focusing on long-term partnerships that benefit both suppliers and customers.
